
Stockton Law Office
207 E. Main Street
Gardner, KS 66030

We are located in the historic block of downtown Gardner on the south side of Main Street (56 Highway) next to the Main Street 213 cafe.

If you are coming to our office from I-35, take exit 210 and turn west onto 56 Highway. This becomes Main Street as you come into the city of Gardner. Continue west on Main Street until you enter the downtown section. We are the first red brick building on the south-side of the road.
